The 18th Annual Walk of Hope for ALS

begins and ends on Wakefield's lower Common, on the shores of beautiful Lake Quannapowitt. The 3.5-mile level route runs parallel to the lake, providing a picturesque walk for walkers of all ages and abilities. Take part in the walk, raise money through pledges and donations, and participate in activities on the Common! Refreshments will be available for all walkers at the conclusion of the walk. This family-friendly event raises funds that directly benefit ALS (Lou Gehrig's Disease) research at the Cecil B. Day Neuro-muscular Lab at the UMass Medical Center in Worcester. We encourage you to join in this celebration of hope by walking, and raising money, for those who are living with ALS, or in memory of those who are no longer with us. For more information call 781-245-7070.

Walk of Hope

THE ANGEL FUND

Pledge

Gather pledges from family and friends.

Walk

The Walk is 3.5 miles around Lake Quannapowitt.

Enjoy

Plenty of refreshments, music and children's activities will be available.

This year, we're asking all our walkers to raise money for research to find a cure for ALS.

You can fundraise online! It's easy!

- To help you with your fundraising efforts, The Angel Fund has joined FirstGiving.com, a free online fundraising tool for our walkers. To get started, log-on to www.firstgiving.com/angelfund and click on Get Started, where you can create your own free online fundraising page, include a personal message, a photo, and a personalized web address for your page.
- Once your page is created, email the link to your family, friends, co-workers and other supporters and ask them to make a safe and secure donation online. An automatic 'thank you' email will be sent to your donors with a message you can customize. You can view your online donations on your page, and update your page with offline donations, too.
Through FirstGiving.com you can easily double - and even triple - your donations.
- Encourage your supporters to donate online on The Angel Fund website, www.theangelfund.org. Remember to put the name of the individual team member or team to ensure that you're credited with the donation.

Team names will be listed on the website as they join.

Organize a Team!

- Recruit family members, friends, and colleagues to join your team.
- Choose a team name and a captain.
- Download the sample donation letter on the website www.theangelfund.org and send it out to your supporters.
- Have team members collect donations.
- Any team that raises over \$1,000 will be eligible for prizes.
- Set a fundraising goal for your team.

You can mail checks to The Angel Fund, have your supporters donate online at www.theangelfund.org or email the link to your FirstGiving page to streamline your fundraising efforts.

Collect any other pledges before the walk and send it to:
