

The 20th Annual Walk of Hope for ALS

The 20th Annual Walk of Hope for ALS will be held on Saturday, September 11th, 2021 in Wakefield, MA. The 3.5-mile Walk begins and ends at the lower Common.

This family-friendly event raises funds that directly benefit ALS (Lou Gehrig's Disease) research at the Cecil B. Day Neuromuscular Lab at the UMass Medical School in Worcester.

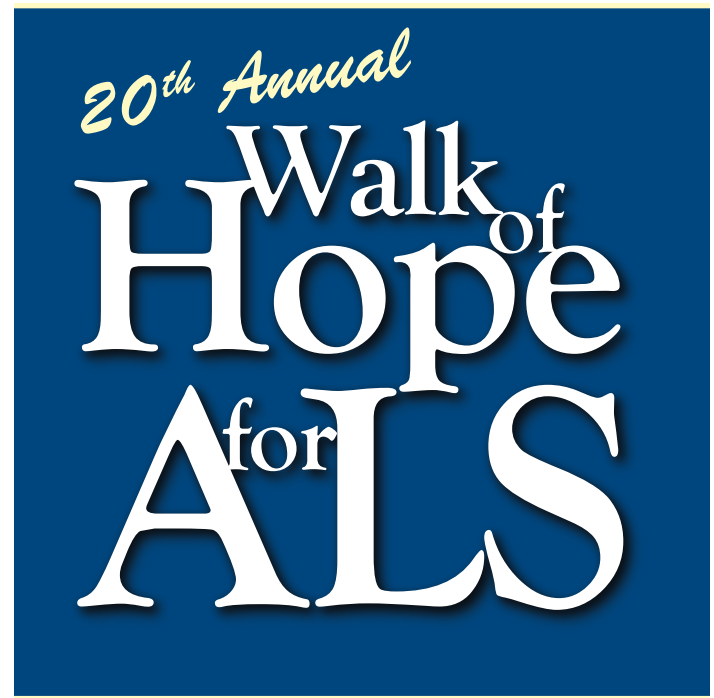

Gather family and friends, create your team and join us as we raise funds for ALS research. You can walk as a team or as an individual.

We encourage you to join in this celebration of hope by walking, and raising money, for those who are living with ALS, or in memory of those who are no longer with us.

Angel Fund President Rich Kennedy and Dr. Robert Brown will kick off the walk at 11 a.m. Walkers will walk the 3.5 miles around Lake Quannapowitt.

Dr. Brown and his research team need our help to move his research to the next level!

Masks will not be required for vaccinated walkers; we encourage everyone who has not been vaccinated to wear a mask.

Walk of Hope for ALS

You can fundraise online! It's easy!

We encourage our walkers to fundraise and we make it easy to create a team or individual fundraising page.

After you register, you create a page - let your team members join your page and create their own fundraising page or donate to your page.

- To help you with your fundraising efforts, The Angel Fund has joined Classy.org, an online fundraising tool for our walkers. To get started, log-on <https://give.classy.org/WalkofHopeforALS2021> where you can create your own fundraising page, include a personal message, a photo, and a personalized web address for your page.
- Once your page is created, email the link to your family, friends, co-workers and other supporters and ask them to make a safe and secure donation online. An automatic 'thank you' email will be sent to your donors with a message you can customize. You can view your online donations on your page, and update your page with offline donations, too.
- Encourage your supporters to donate online on The Angel Fund website, www.theangelfund.org. Remember to put the name of the individual team member or team to ensure that you're credited with the donation.

Team names will be listed on the website as they join.

Let's celebrate our walkers and supporters as they Step Up to Cure ALS®
