# THE SQUIRREL RUN

JIMMY KENNEDY  
MEMORIAL RUN  
— FOR ALS —

*Jimmy “The Squirrel” Kennedy’s battle with Amyotrophic Lateral Sclerosis (ALS), better known as Lou Gehrig’s Disease, ended on April 6, 1997. He was 31 years old.*

*For the past 26 years the Squirrel Run has helped continue Jimmy’s fight against this wretched disease. Your participation is an important part of this effort. All proceeds go directly to ALS research. Thank you for keeping our beloved Squirrel’s memory alive with your support, and for giving hope to so many others who live with ALS.*

*It’s been an amazing run.  
Let’s keep it going!*
